

Office Standard 2024

Condensed Redemption Instructions

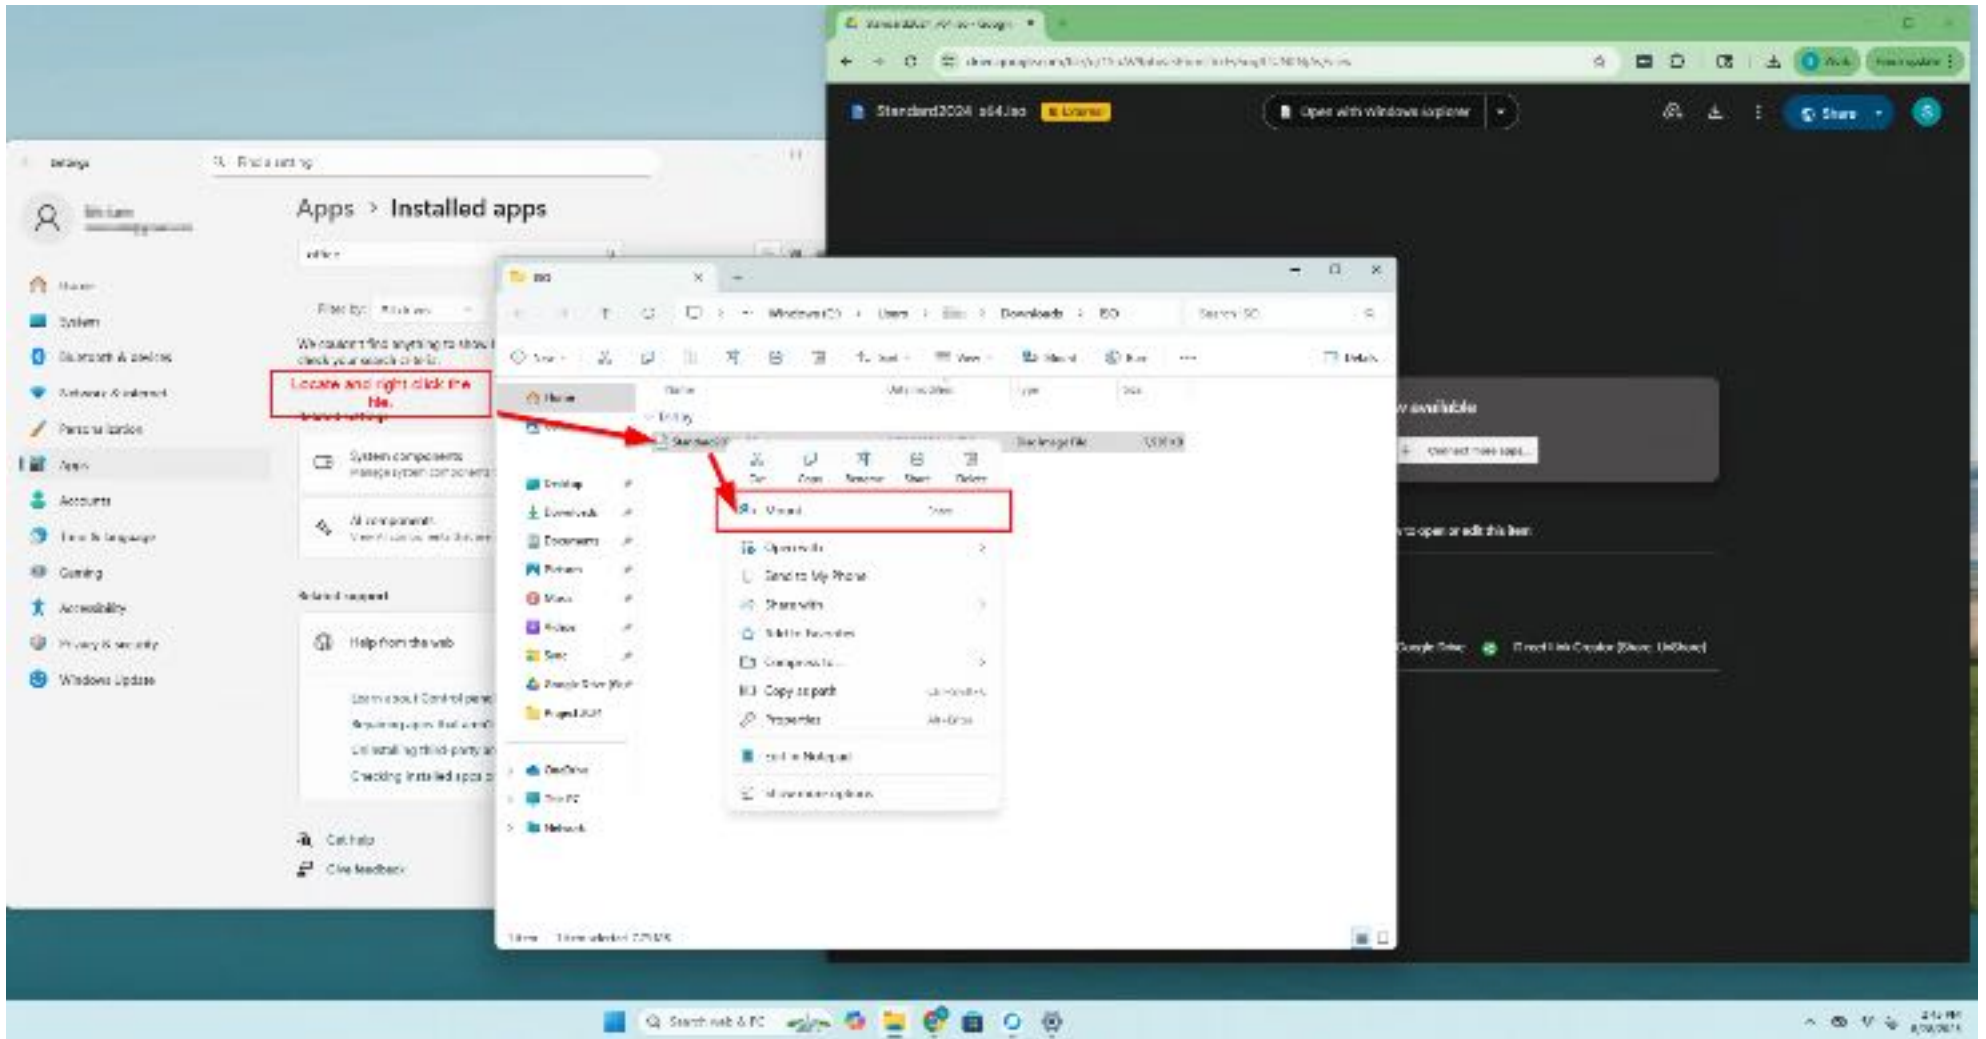

1. Use this link to download the install file. Please be sure to copy and paste this link to the address bar.
 - a. https://drive.google.com/file/d/15uAV9phvaSBbmlTkkEy5og8TUNIINjAv/view?usp=drive_link
2. Once the download is complete, right-click the file and choose **Mount**. Windows will attach it as a virtual DVD drive under **This PC** (usually labeled "DVD Drive"). If **Mount** isn't shown, right-click the file and select **Open with** → **Windows Explorer** to mount it.
3. Navigate to that drive in your File Explorer, right-click on the "start" file and choose 'Run as Administrator' to start the installation.
4. After the installation is complete, run any of the newly installed 2024 office products (not Office 365).
5. Navigate to "Account" at the bottom left of the menu or through "File" in the top ribbon. Use the option to activate under "Product Information" to activate.
6. When done, right-click on the drive that was created in step 2 via File Explorer and choose 'Unmount' or 'Eject'. The downloaded install file can then be removed.
